Start with solo trumpet riff from 2:13 CTX-3000 343 PopPlk2

[Chorus]
No phone, no phone. I just want to be alone today. No phone, no phone

[Verse 1]
Ringing, stinging, jerking like a nervous bird. Rattling up against his cage.
Calls to me throughout the day. See the feathers fly.

[Chorus]
No phone, no phone. I just want to be alone today. No phone, no phone
No phone, no phone. I just want to be alone today

[Verse 2]
Rhyming, chiming, got me working all the time. It gives me such a worried mind.
Now I don't want to seem unkind. But god, it's such a crime.

[Chorus]
No phone, no phone. I just want to be alone today. No phone, no phone
No phone, no phone. I just want to be alone today. No phone, no phone

Double the trumpet riff?

[Verse 3]
Shaking quaking, waking me when I'm asleep. Never lets me go too deep.
Summons me with just one beep. The price we pay is steep.

[Bridge]
5 4 b3 5
I've been on fire

1 5-4-b3-4 4 3 4 3
Yet I've still stayed frozen

b7 5 b3 b7 5
So deep in.....the night

5 8 b7 5 6 5 b3 5 6 5 4 3
My smooth contemplations will always be broken

5 8 b7 5 6 5 b3 5 6 5 4 3
My deepest concerns will stay be buried and unspoken

5 8 b7 5 6 5 b3 5 6 5 4 3
No, I don't have any the change but here's a few some subway tokens

[Chorus]
No phone, no phone. I just want to be alone today. No phone, no phone
No phone, no phone. I just want to be alone today. No phone, no phone
