

Guitar. Prolonging the Magic album.
 Original in G, play in B = +4 semitones.
 Casio #253 Trumpet or melodica.

[Verse 1]

I'm sitting by the window of your
 Thirty-second floor apartment
Waiting for your...phone calls...all to end
 I'm sitting, watching wind...blow, watching
 Time...go, watching cars...go by
 I'm waiting...for these...memories to begin

B-E
 B-F#

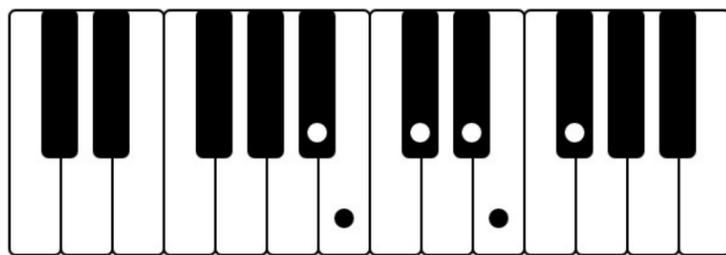

[Chorus] shaker

If I...threw my guitar
 Out the win...dow, so far down
 Would I...start to regret it?
 Or would I smile and watch it slowly fall, fall, fall, yeah

B

UFO: F#-E-F# (Marc vox)

[Trumpet interlude #1] F#-E-D#-C#-B
 (Marc guitar or Brad melodica)

1st note F#. Trumpet #253

[Verse 2]

Garbage...trucks and...taxi cabs
 ...Don't seem like they can reach me here
 The...clamor of jack...hammers...seems so faint
 Well, the way you treat me lightly only
 ...Slightly...brings me down a lot
 I don't think that I'll ever be the same

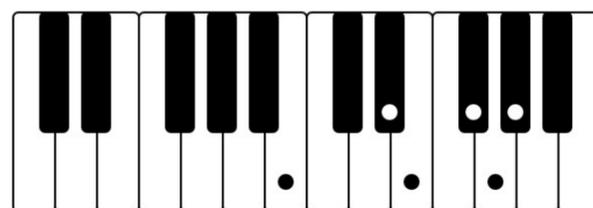

[Chorus]

Yeah, if I...threw my guitar
 Out the win...dow, so far down
 Would I...start to regret it?
 Or would I smile and watch it slowly fall, fall, fall

UFO: F#-E-F# (Marc vox)
